

EXHIBIT H

FEDERAL BUREAU OF INVESTIGATION

Date of entry 05/24/2019

LAURA JANKE (JANKE), was interviewed at the United States Attorney's Office located in Boston, Massachusetts. Present during the interview were FBI Special Agent Kaitlyn Cedrone, FBI Forensic Accountant Nicholas Savona, IRS Special Agent Elizabeth Keating, and Assistant United States Attorneys Eric Rosen, Justin O'Connell and Leslie Wright. Also present was Stephen Huggard, legal counsel to JANKE. After being advised of the identity of the interviewing Agents and the nature of the interview, JANKE provided the following information:

The image consists of a series of horizontal black bars of varying lengths, arranged vertically. The bars are of different widths and positions, creating a pattern that resembles a barcode or a decorative graphic. The background is white, and the bars are solid black.

Investigation on 03/25/2019 at Boston, Massachusetts, United States (In Person)

File # 318A-BS-2885343

Date drafted 03/28/2019

by Smith Laura, KEATING ELIZABETH ANNE, Kaitlyn Cedrone, SAVONA NICHOLAS BRANDON

The image consists of a grid of horizontal black bars of varying lengths. The bars are arranged in approximately 20 rows. Each row contains two bars. The first bar in each row is consistently longer than the second. The lengths of the bars fluctuate across the grid, creating a visual pattern of alternating long and short horizontal segments.

A large grid of black horizontal bars on a white background. The bars are arranged in approximately 20 rows and 10 columns. Each bar is a solid black rectangle. The bars vary in length, with some being full-width and others being narrower. There is a noticeable vertical gap between the first two rows of bars.

While being held together in the holding cell following their March 12, 2019 arrest, HEINEL told JANKE that kids' families give money to development and that she talked to Admissions about this before and said if someone can help a program and team, it was ok. HEINEL stated she had gone through steps to make sure this was ok.
